

SDS Inventory Manager in use

Where can I see archived locations?

Our Premium/Pro subscription plan gives you the ability to see Archived Locations and unarchive them.

There are two options to get archived locations listed.

From ['My locations'](#) page.

Or you can visit [Archive page](#)

SDS Inventory Manager in use

The screenshot displays the SDS Manager web application interface. At the top left is the SDS Manager logo. A search bar at the top right contains the text "Search SDS in use and gl". The left sidebar contains a navigation menu with the following items: Dashboard, All my SDSs, My locations, Manage SDS Library (highlighted with a blue bar and a "99+" badge), Factory Equator (97) with a star icon, Factory Miami (29), Factory Himalaya (24), Factory Paris (55), Factory Tokyo (81), SDS library for Test cor (6), Add location, Import status, SDS requests (with a "15" badge), Archive (highlighted with a red box), Global SDS Search, and SDS compliance (with a "5" badge). The main content area shows a list of "Archived locations" (highlighted with a red box) under the heading "Archived SDSs". The list includes: Givaudan, Basement, 1st floor, 2nd floor, Adapt Health - Aerocare, Sundeck, sub-basement, sub 02, sub 02, Kitchen, Cabinet 1, new factory, Shelf 3, Shelf 1, and Shelf 2.
