

SDS Inventory Manager in use

How can I check if any of our chemicals are on any restricted chemical list?

SDS Manager has an overview of all chemicals listed on restriction lists like ZDHC, California Proposition 65, REACH and more.

The substances in these lists are identified with either EC or CAS number.

SDS Manager will extract the CAS and EC numbers from section 3 of the SDS you use and check if these numbers are found in any of the restriction list.

In SDS Manager, you will be able to list all the SDSs you have in your SDS Library that have restricted components.

Click here to [open SDS Manager see what SDS in your library that are containing hazardous chemicals \(require login\)](#).

Below is an example of how we list products with components on restricted list:

The screenshot shows the 'Hazardous substances' section in SDS Manager. It displays a table of products with components listed on restricted substance lists. The table includes columns for Product Name, Supplier Name, Revision date, GHS, Locations, Approval Status, EC/CAS, Name of the chemical, Concentration, and Listed in. There are also buttons for 'Open', 'Create', and 'Show details' for each product.

Product Name	Supplier Name	Revision date	GHS	Locations	Approval Status	EC/CAS	Name of the chemical	Concentration	Listed in	
A-100 Exterior Acrylic...	THE SHERWIN-WILLIAMS COMPANY	2023-02-23		SDSes	<input type="checkbox"/>	<ul style="list-style-type: none">13463-67-71314-13-2	<ul style="list-style-type: none">TitaniaZinc oxide (ZnO)	<ul style="list-style-type: none">≥10 - ≤25≤3	<ul style="list-style-type: none">GLAPSGLAPSGADSL	Open Show details

The above list is a prospective list of products that you need to assess.

When you have verified that the content is acceptable, you may want to mark the SDS as 'Approved'

SDS Inventory Manager in use

The screenshot displays the SDS Inventory Manager interface for the product "A-100 Exterior Acrylic Latex Flat MOCS Anti-Graffiti Grey" by THE SHERWIN-WILLIAMS COMPANY. The interface includes a search bar at the top, a "Danger" warning banner, and risk rating indicators for Health, Safety, and Environmental risks. A red arrow points to the "Approve" button. Below the header is a table with two sections: "General Information" and "Company Information".
