Open the "Organization Profile" page to edit your organization profile.

Then, click "Save" to apply changes.

The screenshot displays the 'Organization information' page in the SDS Manager. At the top, there is a search bar with the text 'Search SDS in use and global database'. Below this, the 'Organization information' form is visible, featuring a logo for 'COM' and several input fields: 'Company name' (containing 'Test Corporation Inc.'), 'Owner' (containing 'Erlend Bruvik'), and 'Country' (containing 'United States'). A blue 'Save' button is located at the bottom of the form. To the right of the form, a user menu is open, showing the user's name 'Erlend Bruvik' and 'Test Corporation Inc'. The menu items include 'Manage account', 'Organization profile' (highlighted with a red box), 'User management', 'Subscription', 'Go live checklist', 'Cancel impersonate', 'English', 'Invite members', and 'Import product lists'.
