## If I run into a problem, how can I report this problem and ask for help?

To do this, click on the "Contact Us" button on the "Dashboard" page.

The screenshot shows the SDS Manager Dashboard. The left sidebar contains navigation options: Dashboard, All my SDSs, My locations, Manage SDS Library, Global SDS Search, SDS compliance, Manage QR codes, Risk assessment, Job procedures, and Reports. The main content area displays several metrics: 'Locations I have access to' (6/6, 100%), 'Outdated Safety Data Sheets' (1/56, 98%), 'SDS Approved' (0/55, 0%), and 'Risk Assessed Products' (0/43, 0%). A 'Contact Us' button is highlighted with a red box in the 'Do you need help to get started?' section. Below this, there are fields for 'Emergency agency' and 'Phone'.

Fill out subject, describe your problem, and attach a file (optional), then click on 'Send' button.

The 'Contact Us' form is displayed with a close button (X) in the top right corner. It includes a 'Subject\*' field, a large text area for the message, and an 'UPLOAD FILE' button with an upload icon. A blue arrow points to the right at the bottom of the form.
