

# How to keep our SDS library up-to-date

## How can I check if any of the products we use contains restricted chemicals?

SDS Manager has an overview of all chemicals listed on restriction lists like ZDHC, California Proposition 65, REACH and more.

The substances in these lists are identified with either EC or CAS number.

SDS Manager will extract the CAS and EC numbers from section 3 of the SDS you use and check if these numbers are found in any of the restriction list.

In SDS Manager, you will be able to list all the SDSs you have in your SDS Library that have restricted components.

Below is an example of how we list products with components on restricted list:

The screenshot shows the 'Hazardous substances' section in SDS Manager. It features a search bar at the top, a navigation sidebar on the left, and a main table of products. The table columns include Product Name, Supplier Name, Revision date, GHS, Locations, Approval Status, EC/CAS, Name of the chemical, Concentration, and Listed in. Three products are listed, each with a 'Show more' link and a 'Create' button. The first product is 'A-100 Exterior Acrylic Latex Flat MOCs Anti-Graffiti Crey' by THE SHERWIN-WILLIAMS COMPANY, with EC/CAS numbers 13463-67-7 and 1314-13-2, and chemicals Titania and Zinc oxide (ZnO). The second product is 'Alpha-HP Multi-Surface Disinfectant Cleaner' by Diversey Canada, Inc., with EC/CAS numbers 1569-01-3 and 68584-22-5, and chemicals 1-Propoxy-2-propanol and Benzenesulfonic acid, C<sub>10</sub>H<sub>16</sub>O<sub>3</sub>S. The third product is 'Anti-Seize Spray' by WEICON GmbH & Co. KG, with EC/CAS numbers 215-137-3/1305-62-0 and 231-159-6/7440-50-8, and chemicals Calcium hydroxide and Copper.

Product Name	Supplier Name	Revision date	GHS	Locations	Approval Status	EC/CAS	Name of the chemical	Concentration	Listed in

The above list is a prospective list of products that you need to assess.

When you have verified that the content is acceptable, you may want to mark the SDS as 'Approved'

# How to keep our SDS library up-to-date

The screenshot displays the SDS Manager interface for the product 'A-100 Exterior Acrylic Latex Flat MOCS Anti-Graffiti Grey' by THE SHERWIN-WILLIAMS COMPANY. The page features a blue header with a 'Danger' warning icon and a search bar. Below the header, there is a 'No approval info' section with an 'Approve' button (indicated by a red arrow) and a 'Show rows where SDS has no information' checkbox. To the right, there are risk rating indicators for Health, Safety, and Environmental risks, each with a 5-point scale. The main content is organized into two sections: 'General Information' and 'Company Information', each containing a table of product details.
