

Subscription and payment

What happens if I need more SDSs included in our subscription plan?

Each of our subscription plans allows you to store a specific number of SDSs in your library.

See our [Pricing plan](#) and decide which is most suitable for your organization. Then, go to the "Subscription" page to order your desired plan.

The screenshot displays the 'Billing Page' for SDS Manager. At the top, it states: 'SDS Manager has subscription plans to meet a variety of budgets and needs. You can start with our free-plan to test our solution to see if it fits your needs.' Below this, a section titled 'Select how many Safety Data Sheets you need in your library' features a range of options from 100 to 4,000+. Two billing frequency options are available: 'Billed Monthly' and 'Billed Annually'. Three subscription plans are presented: 'Basic' at US\$19/mo, 'Premium' at US\$39/mo, and 'Pro' at US\$59/mo. Each plan includes a list of features and a 'PURCHASE' button. A 'Your Current Plan' sidebar on the right shows the current plan as 'Premium' with a trial period until 2024-10-27. A user menu on the far right lists various account management options, with 'Subscription' highlighted in red.

Plan	Price	Key Features
Basic	US\$19 /mo	Mobile access for all users, GHS labels included, Upload your own SDS, Secondary container labelling (GHS) with QR Code
Premium	US\$39 /mo	All features from "Basic" + Access SDS library by scanning QR-code, Automatic alerts for new revisions, Organize SDS by location, Printing of SDS-binders
Pro	US\$59 /mo	All features from "Premium" + Risk assessment, Alert for hazardous substances, Reports and XLS export, Assistance in building your initial SDS inventory

Please also note that we offer free trial periods for our subscription plans.

In "Subscription" page, click on the pencil icon, and change to your desired subscription for the trial period.

The screenshot shows the 'Your Current Plan' section. It features a large 'Pro' label with a pencil icon, indicating that the plan can be edited. Below this, it states 'Trial period until 2024-10-01'.
