

Add SDS to our new library

SDS Requests - What do I do if an SDS I need is not in the SDS Manager's database?

Even though we have more than 13 million SDS in our database, we will miss some.

This is how we handle that case where you cannot find the SDS you are looking for in our database.

From our SDS search window click 'Search for "SDS" on Google'.

Search for Safety Data Sheet in our database of 11Million+ Safety Data Sheets.

Q YYY

	Name	Supplier	R
+	UFI	IKO PLC	
+	Polimar FCS Flow Resistant MW750011	IKO PLC	

Not finding what you are looking for?

 Search for "YYY" on Google
Click here to open a new tab to search for a safety data sheet for "YYY" using Google

[Search on Google](#)

This will often give you the desired result. You can then download the pdf you found and upload the file using our "Upload PDF file" feature.

Did you find the Safety Data Sheet through Google?

Yes [Click here to browse files](#)

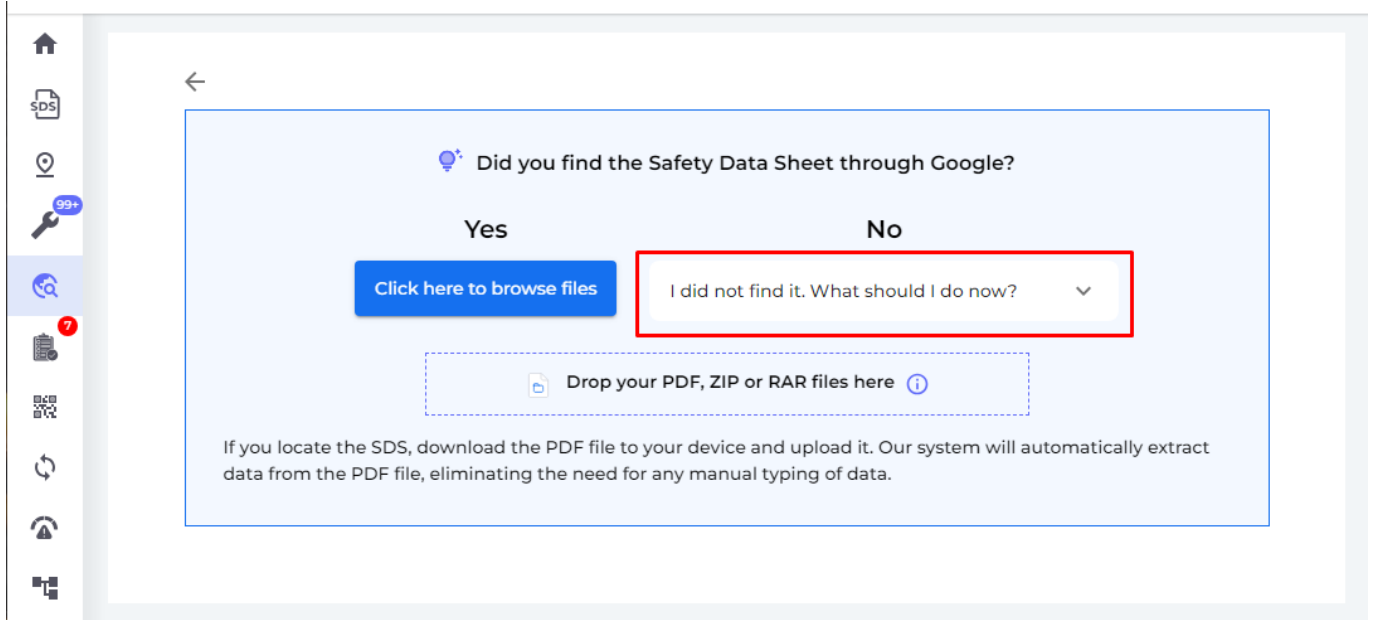

No I did not find it. What should I do now? ▾

Drop your PDF, ZIP or RAR files here ⓘ

If you locate the SDS, download the PDF file to your device and upload it. Our system will automatically extract data from the PDF file, eliminating the need for any manual typing of data.

If you do not find the SDS when searching the internet, you should email your supplier and ask them to email you the SDS. They are required by law to supply their customers with updated SDSs.

Add SDS to our new library

The screenshot shows a web interface for adding SDS. On the left is a vertical sidebar with icons for home, SDS, location, a key with '99+', a magnifying glass, a document with a red '7', a QR code, a refresh icon, a shield, and a grid. The main content area has a back arrow and a light blue box containing the following elements:

- A question: "Did you find the Safety Data Sheet through Google?"
- Two options: "Yes" and "No".
- Under "Yes": A blue button labeled "Click here to browse files".
- Under "No": A white dropdown menu with the text "I did not find it. What should I do now?" and a downward arrow. This dropdown is highlighted with a red border.
- A dashed blue box for file upload: "Drop your PDF, ZIP or RAR files here" with a document icon and an information icon.
- Text below the upload box: "If you locate the SDS, download the PDF file to your device and upload it. Our system will automatically extract data from the PDF file, eliminating the need for any manual typing of data."

To keep track of the products where you have not yet received the SDS, we recommend that you save the product information by manually enter the product info and contact the distributor from which you get the product for the SDS file, you may find the next part of the instruction in [This article](#).
