

SDS Inventory Manager in use

Where can I see archived locations?

Our Pro subscription plan gives you the ability to see Archived Locations and unarchive them.

There are two options to get archived locations listed.

From ['My locations'](#) page.

Or you can visit [Archive page](#)

SDS Inventory Manager in use

The screenshot displays the SDS Manager web application. On the left, a sidebar menu is visible with the following items: Dashboard, All my SDSs, My locations, Manage SDS Library (highlighted with a blue bar and a '99+' badge), Factory Equator (97) (with a star icon), Factory Miami (29), Factory Himalaya (24), Factory Paris (55), Factory Tokyo (81), SDS library for Test cor (6), Add location, Import status, SDS requests (with a '15' badge), Archive (highlighted with a red box and a download icon), Global SDS Search, and SDS compliance (with a '5' badge). The main content area on the right is titled 'Archived SDSs' and contains a list of locations, each preceded by a radio button. The 'Archived locations' header is also highlighted with a red box. The list of locations includes: Givaudan, Basement, 1st floor, 2nd floor, Adapt Health - Aerocare, Sundeck, sub-basement, sub 02, sub 02, Kitchen, Cabinet 1, new factory, Shelf 3, Shelf 1, and Shelf 2.
