# SDS Inventory Manager in use

How can I edit the amount of a product on a location?

- Step 1: Go to 'All my SDSs' or 'Manage SDS Library'.

- Step 2: Click the icon 'Edit Amount' in the Actions column.

- Step 3: Adjust the amount of SDS during the process of usage and storage, then click on 'Save' button.

SDS Inventory Manager in use

Update Substance Volume

Product: **Hydrogen Peroxide**
Location: **Demo site Norge**
