

# SDS Inventory Manager in use

## What happens if I need more SDSs included in our subscription plan?

Each of our subscription plans allows you to store a specific number of SDSs in your library.

See our [Pricing plan](#) and decide which is most suitable for your organization. Then, go to 'Subscription' page to order your desired plan.

The screenshot displays the 'Billing Page' of the SDS Manager application. On the left is a sidebar with navigation links: Dashboard, All my SDSs, My locations, Manage SDS Library, Global SDS Search, SDS compliance, Substitutions, Risk assessment, Job procedures, My job procedures, Exposures, and Reports. The main content area is titled 'Billing Page' and includes a sub-header 'Choose the plan that is right for you'. It features three subscription plans: Basic (\$19/mo), Premium (\$39/mo), and Pro (\$59/mo). Each plan card lists features and includes a 'PURCHASE' button. A dropdown menu for 'Billed Monthly' and 'Billed Annually' is visible. On the right, a user menu is open, showing options like 'Manage account', 'Organization profile', 'User management', 'Subscription' (highlighted with a red box), 'English', 'Invite members', 'Settings', 'Logout', and 'United States'. The bottom of the page contains links for 'Privacy Policy' and 'Terms and Conditions'.

Please also note that we offer free trial periods for our subscription plans.

In 'Subscription' page, click on the pencil icon, and change to your desired subscription for the trial period.

The screenshot shows the 'Your Current Plan' section of the SDS Manager interface. It features a large white card with the text 'Pro' in blue, followed by a pencil icon, indicating an edit function. Below this, it states 'Trial period until 2024-06-19'.
