

# How to keep our SDS library up-to-date

## How can I check if any of the products we use contains restricted chemicals?

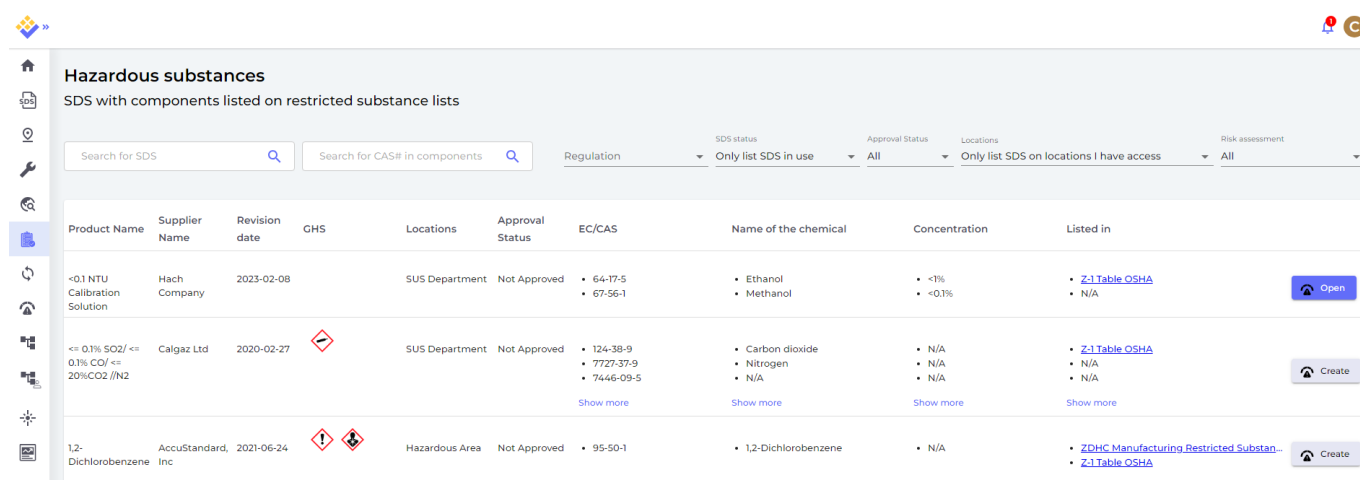

SDS Manager has an overview of all chemicals listed on restriction lists like ZDHC, California Proposition 65, REACH and more.

The substances in these lists are identified with either EC or CAS number.

SDS Manager will extract the CAS and EC numbers from section 3 of the SDS you use and check if these numbers are found in any of the restriction list.

In SDS Manager, you will be able to list all the SDSs you have in your SDS Library that have restricted components.

Below is an example of how we list products with components on restricted list:

The screenshot shows the 'Hazardous substances' section of the SDS Manager interface. It features a table with columns for Product Name, Supplier Name, Revision date, GHS, Locations, Approval Status, EC/CAS, Name of the chemical, Concentration, and Listed in. The table lists three products: 1) <0.1 NTU Calibration Solution from Hach Company, 2) <= 0.1% SO2 / <= 0.1% CO / <= 20% CO2 // N2 from Calgaz Ltd, and 3) 1,2-Dichlorobenzene from AccuStandard, Inc. Each product row includes details on its GHS status, locations, approval status, and the specific chemicals and concentrations found. The interface also includes search bars for SDS and CAS# in components, and various filters for Regulation, SDS status, Approval Status, Locations, and Risk assessment.

Product Name	Supplier Name	Revision date	GHS	Locations	Approval Status	EC/CAS	Name of the chemical	Concentration	Listed in
<0.1 NTU Calibration Solution	Hach Company	2023-02-08		SUS Department	Not Approved	• 64-17-5 • 67-56-1	• Ethanol • Methanol	• <1% • <0.1%	• <a href="#">Z-1 Table OSHA</a> • N/A
<= 0.1% SO2 / <= 0.1% CO / <= 20% CO2 // N2	Calgaz Ltd	2020-02-27	⚠	SUS Department	Not Approved	• 124-38-9 • 7727-37-9 • 7446-09-5 <a href="#">Show more</a>	• Carbon dioxide • Nitrogen • N/A <a href="#">Show more</a>	• N/A • N/A • N/A <a href="#">Show more</a>	• <a href="#">Z-1 Table OSHA</a> • N/A • N/A <a href="#">Show more</a>
1,2-Dichlorobenzene	AccuStandard, Inc	2021-06-24	⚠ ⚠	Hazardous Area	Not Approved	• 95-50-1	• 1,2-Dichlorobenzene	• N/A	• <a href="#">ZDHC Manufacturing Restricted Substan...</a> • <a href="#">Z-1 Table OSHA</a>

he above list is a prospective list of products that you need to assess.

When you have verified that the content is acceptable, you may want to mark the SDS as 'Approved'
